RACCORDEMENT ELECTRIQUE

ELECTRISCHE AANSLUITING / ELECTRICAL CONNECTION

(F) La longueur des conducteurs d'alimentation doit être limitée à 8cm de manière à ce qu'ils soient entièrement gainés par la gaine d'isolation électrique incorporée au boîtier de raccordement.

(N) lengte van de elektriciteitsdraden mag maximum 8cm bedragen zodat deze volledig worden geïsoleerd door de isolatiekousen in de contactdoos

(G) The length of the conductors must be limited to 8cm so that they are completely introduced in the electrical insulation tube incorporated in the connecting box.
